Re: Invitation to Safety Summit

To: Community Risk Reduction Influencer

Dear Community Partner,

You're invited to the 2nd Annual Safety Summit Dinner to join with other community partners interested in reducing the number of fatal fire deaths and injuries in West Virginia. The WV State Fire Marshal's Office is sponsoring this dinner and offering this educational evening at no cost to participants during the 2018 WV Public Safety Expo.

The dinner will begin at 5pm on Thursday, May 10th, 2018, at the Charleston Civic Center followed by presentations at 6pm. This will be an invaluable opportunity for fire and emergency service members and other community partners to get together and learn about the Community Risk Reduction (CRR) Program and gain life-saving knowledge of the CRR industry's best and most cutting-edge practices.

Meredith Hawes, from the National Fire Protection Association, will be the featured speaker for this year's summit.

Through this presentation, we want to empower fire departments and other organizations to conduct community outreach. Your involvement is important as we provide a model Community Risk Reduction program seeking the continual decrease of fire deaths, injuries and property loss. This will be accomplished by fostering collaborative relationships, implementing education programs, and community outreach.

To make a reservation please call Public Information Specialist Courtney Rosemond or Tim Rock at our office 304-558-2191.

Keeping your community safe is the goal of the WV State Fire Marshal's Office and we will continue to provide these types of resources and outreach opportunities, as we feel it is the foundation to building a successful Community Risk Reduction program across our state. We hope you will join us.

Sincerely,

West Virginia Fire Safety Summit

Thursday, May 10th, 2018
Charleston Civic Center

The West Virginia State Fire Marshal's office is proud to host the 2nd Annual WV Fire Safety Summit Dinner sponsored in partnership with the National Fire Protection Association, and the American Red Cross.

The 2018 Summit will be held on Thursday, May 10th, beginning at 5pm with a dinner followed by topics on: Educational Messaging, NFPA Resources, Smoke Alarm Installations with Red Cross.

The purpose of this summit is to bring together all stakeholders who have an interest in protecting property and life from the devastation of fires. These stakeholders include but are not limited to: Fire Service organizations, Community Service organizations, Industry leaders, Seniors, Family and Children Advocacy groups; this summit is for all willing and able to learn, share, and network with others within communities.

Please call the WV Fire Marshal's Office at 304-558-2191 and talk with one of our Public Education Representatives on how to make a "FREE" registration for May 10th at the WV Public Safety Expo at the Charleston Civic Center.
