

# Home Inspection Program

This Fast Track Program is designed to provide accessible, affordable, skill training, which leads to immediate employment. The FAST TRACK Jobs for West Virginia program is a statewide initiative of the Community and Technical College System of West Virginia.

Home Inspection is a rapidly growing field and quickly becoming a standardized part of real estate buying and selling transactions.

This 80 hour program is offered in weekend format. Upon completion of this course, students will be prepared for the West Virginia State Home Inspectors Licensing Exam, and qualified to perform Ohio state home inspections.

Students will become familiar with all aspects of home inspection including: grading, foundations, structures, roofing, exteriors, insulation, electrical inspection, HVAC inspection, plumbing, interiors, and environmental issues. This course includes in field inspections and virtual inspections.

The cost of this program is \$1,595.00 which includes your text book. This program is HEAPS Grant eligible for West Virginia residence.

For more information on this program, call 304-424-8277.

To insure our students receive the best education in the home inspection industry, West Virginia University Parkersburg has

partnered with Parker Training Services for the Home and Mold Inspection Training. Our students get the knowledge, and the “been there, done that” experiences from inspection industry professionals who have performed thousands of inspections.

Our next Home Inspection Course will begin Saturday, Feb. 28 and conclude Sunday, March 29, 2009. (Sat.-Sun. schedule every weekend in between these dates).

Mold Inspection training will be Saturday, April 5 and Sunday, April 6, 2009. Mold Inspection is approved through the WVAHI, State Fire Marshal’s Office and NAHI for continuing education credit.

Parker Training Services stays in touch with students between classes on-line, and provides the past week’s learning material on-line for study.
