Licensure for Fire Protection Workers

Type of License	Qualification Requirements
Fire Protection Layout Technician	NICET Level III Required – Must include copy of your certificate of completion.
Journeyman Sprinkler Fitter (Installs, adjusts, repairs, and dismantles fire protection systems. This license does not qualify holders to certify sprinkler systems.)	2,000 hrs. of work experience installing, adjusting, repairing, and dismantling fire protection systems. Must provide proof of work experience with application.
Engineered Fire Suppression System Installer	2,000 hrs. of work experience & certifications from all specific manufacturers authorizing the applicant to install, alter, extend, maintain, or repair their systems.
Engineered Fire Suppression System Technician	500 hrs. of work experience & certifications from all specific manufacturers authorizing the applicant to maintain or repair engineered suppression systems.
Pre-Engineered Fire Suppression System Installer	Must provide a copy of certifications from all specific manufacturers authorizing the applicant to install, maintain, alter, extend, layout or repair a pre-engineered suppression system.
Pre-Engineered Suppression System Technician	Must provide a copy of certifications from all specific manufacturers authorizing the applicant to maintain or repair a pre-engineered suppression system.
Portable Fire Extinguisher Technician	Certified in accordance with NFPA 10 – Must provide copy of certification with application.

NOTE: IF YOU HAVE AN INSTALLER LICENSE, YOU DO NOT NEED THE TECHNICIAN LICENS

Licensure Process: Complete the application and submit along with a **copy** of the required **documentation** (DO NOT SEND ORIGINALS), the **application fee** & the **license certification fee** (payable via check or money order to **WVSFMO**) to:

West Virginia State Fire Marshal
2nd Floor - Licensing

Charleston, WV 25301

LICENSE FEES

Please circle license types and fees and return this page with application.

	1 YEAR	3 YEARS
Journeyman Sprinkler Fitter	\$100	\$175
Fire Protection Layout Technician		
Pre-Engineered Fire Suppression System Installer	\$50	\$100
Engineered Fire Suppression System Installer		
Pre-Engineered Suppression System Technician	\$25	\$50
Engineered Fire Suppression System Technician		
Portable Fire Extinguisher Technician	\$50	\$100

APPLICATION FEE: IN ADDITION TO THE LICENSE FEE, A NON-REFUNDABLE APPLICATION FEE OF \$50 IS REQUIRED WITH EACH APPLICATION.

Renewal:

Licensure will expire either annually or every three years based upon initial licensure date. As a courtesy, renewal notices are mailed approximately 90 days prior to the expiration date so please contact the division if you have a **change of address**. Failure to receive a renewal notice does not excuse non-renewal. **It is the licensee's responsibility to ensure renewal of the license prior to expiration. If you fail to renew your license, you are required to resubmit a new application, supporting documentation and required application and license fees.**
