SPEAKERS:

Murrey Loflin of the CDC (Centers for Disease, Control and Prevention) addressed the Commission regarding the National Firefighter Registry for Cancer. Their program is run by the Centers for Disease Control and Prevention. His reason for being here today is to bring attention to this program and make all Fire Fighters aware that this program is for them, whether or not they are cancer victims. In WV there are only 260 Fire Fighters registered, and his goal is to get all WV Fire Fighters registered. He asks the Commission to share the information and give him as much contact information as possible, in order to get the program information out. The initial registration takes about 5 minutes to get initially set up with a total of 20 minutes to complete and can be updated as necessary. The system is encrypted with several layers of security. Commissioner Jones noted that all members of the Fairmont FD have registered and were recognized as a Gold Helmet recipient. Any department that has registered over 50% becomes a Gold Helmet department.

DRAFT

Patrick Morrissey
Office of the Governor

October 8, 2026

West Virginia State Fire Commission
c/o Office of the State Fire Marshal
1600 Pennsylvania Avenue
Charleston, West Virginia 25302

Dear Chairman Gunnoe and Members of the Fire Commission:

It is always a great day when the service of a dedicated public servant can be celebrated. State Fire Marshal Kenneth E. Tyree, Jr. has performed twelve years of exemplary service to the State of West Virginia as its State Fire Marshal. His devotion to his duty, commitment to fire safety and unwavering support for the people of the State of West Virginia has been an integral part of the State Fire Marshal's Office and the State Fire Commission.

Marshal Tyree has advised my office of his desire to retire on November 20, 2026. While we congratulate Marshal Tyree on his retirement and wish him all the best in his future endeavors, his retirement will create a vacancy of the State Fire Marshal position.

West Virginia Code addresses the process for filling this vacancy. "When a vacancy occurs," "the Fire Commission, at the request of the Governor, shall submit a list of not more than three names to the Governor from which the Governor shall make the appointment." W. Va. Code § 15A-10-1(b). The Governor must then "appoint a State Fire Marshal" from that list.

By this correspondence, I hereby request that the West Virginia State Fire Commission initiate the process of creating and submitting a list of three names to me for consideration to fill the vacancy of the State Fire Marshal position.

Sincerely,

A handwritten signature in blue ink that reads "Patrick Morrissey".

Governor
